STATEWIDE SPECIAL ELECTION
CANDIDATE STATEMENT FORM

Candidate's Name: Frank A. Macaluso Jr.

Candidate Statement (250 word limit):

California Democrats need a financially conservative governor who will control spending and promote a business friendly environment in our state without sacrificing vital programs such as education, transportation and health care. As a medical doctor I understand the problems with our state's health care system and can provide workable solutions. My background also includes a degree in Chemical Engineering along with work and business experience in the oil and gas industry. This gives me a firm comprehension of energy policy from production and distribution to consumption and *conservation*. A small business owner myself, I understand and have experienced first hand the problems faced by business owners including skyrocketing health insurance and workers compensation costs. We need a *complete overhaul* of the state's workers compensation program ASAP. As a Democrat, I am proud to represent the socially and environmentally *progressive* platform of our party and will work tirelessly to improve the quality of life and working conditions of *all* Californians. My supporters include people of all races, cultures, sex, religions and economic backgrounds. GO CALIFORNIA! *Diversity is our strength!* Pledging not to run or campaign for re-election, I'll devote my full attention to the duties of Governor with no distractions or conflicts of interest. *Vote intelligently!* Don't waste your vote on celebrities or publicity seekers. I am a serious and qualified candidate for the office of Governor. With your support we can bring financial responsibility back to our state's government. Please vote for "Dr.Mac", Frank Macaluso, M.D. WWW.MACFORGOV.COM

VOTE TWICE FOR DEMOCRACY

Don't let money and special interests steal the governor's mansion. A vote for me is a vote against the recall process and a vote for democratic principles.

Under our outdated recall process, Governor Davis may be denied his legitimately earned role, even if voters prefer him to some fringe candidate. Such a result is hypocrisy, not democracy.

Governor Davis may be unpopular, but he is the lawfully elected leader of our state. I am the only candidate who will appoint Davis as Chief of Staff in charge of the day-to-day governance of California, the job he was duly elected to do.

If you oppose the recall process, if you believe in the democratic principle of full and fair elections --- then vote for me.

I am a third generation Californian. 25 years ago I started the first of several successful automotive businesses. Today, my used car dealership, McCarthy Wholesale, is thriving in an industry which for many, has negative connotations (not unlike our elected officials!). I am changing these negative perceptions through honesty, integrity and hard work. I believe that my leadership can do the same in government. I expect that our state's finances be similar to an efficient business which is responsible to its customers. As governor I will be responsible to my state's customers, THE PEOPLE. I have enormous respect for middle class working families and small businesses. As a family man and a small business owner I am committed to faith and family, including the values that have been the foundation in building this great state. STATEWIDE SPECIAL ELECTION
CANDIDATE STATEMENT FORM

Candidate's Name ROBERT McCLAIN

Hello California!

Candidate Statement (250 word limit):

I want to be your next Governor. Weary of partisan bickering that deadlocks our State, I am running as a nonpartisan Independent. Being Independent, I will arrive in Sacramento untainted, owing no political favors and able to work with all parties.

Considering our pressing budget crises, my platform is long-term fiscal responsibility. To achieve financial stability, my decisions may not be popular, but they will be prudent. As a token of my commitment to resolve our financial crisis, I will forfeit the Governor's salary.

As a political moderate, I support protecting consumer interests; consumer privacy; a woman's right to choose; environmental safeguards; free markets that foster efficient uses of capital, economic growth and job creation; school choice; some form of weapons regulation; and equality for all regardless of creed, ethnicity, gender, race, or sexual orientation. However, without an adequate budget, all of these are harder to achieve.

A lifelong California resident, I hold undergraduate and graduate degrees in Civil Engineering from UC Berkeley, and an MBA from UCLA. I am a licensed Professional Engineer, Real Estate Agent, hold the Chartered Financial Analyst designation, and was an Eagle Scout. I have worked in the fields of engineering, construction and finance.

Tell your friends, spread the word, send your vote my way. There are no throw away votes this election. I may be unknown now, but with your help I can win in October. Bob McClain for Governor. www.bobmcclain.com

Born 1933. Raised in Nazi occupied Denmark Korean war veteran. MS degree, Electrical Engineering, 1965, University of Santa Clara. Married 48 years. Real estate and stock investor.

I seek office to return power to the people.

My steps in office will be:

To ensure elected state officers, including governor, may be recalled only for malfeasance.

This recall is the joke of the nation.

To encourage democracy in this state by moving redistricting from the legislature to an independent commission. Why put up with ideologues of both parties whose main concern is to protect their incumbency? Budgets must be passed on time.

To improve governance in the State with structural changes to tax revenues and expenditures.

To return more funding control to the counties and cities of the state. Why let Sacramento take our local property taxes and then return them encumbered with bureaucratic controls?

To encourage the business climate by reducing workman's compensation insurance costs, regulatory controls and frivolous lawsuits. In particular, I propose that losers in lawsuits generally pay attorney fees and court costs.

To improve the regulation of Indian gaming, (revenues nearly 40% of Nevada gaming), that produces no funds for the State, and is not subject to environmental regulations or State statutes governing employment.

To vigorously seek a solution to the loss of Colorado River water, especially important to San Diego.

Vote for Carl Mehr. Vote against political polarization in California. See www.mehrforgovernor.com

CANDIDATE STATEMENT FORM

Candidate's Name: DARRYL L. MOBLEY

Candidate Statement (250 word limit):

Job losses. State budget run amok. Companies leaving. Increased crime. Taxes rising. Despair in our inner cities. Children leaving schools without education. Sky-high housing costs. An energy policy that is a joke. Healthcare costs skyrocketing. Traffic congestion. Unemployment. Underemployment. A system that eliminates the bootstraps needed by the economic underclass. Government out of touch with citizens. Politicians who satisfy special interest groups instead of the people. As Governor, these problems are where I will focus.

want to be Governor because have the experience, vision, leadership, integrity and plans that will solve our problems.

As a graduate of West Point, I know duty and honor. As a Captain in the Army, I learned to develop plans that work. As a corporate executive in one of the world's leading companies and a founder of businesses – to include Family Digest magazine - I learned strategies that will allow me to bring jobs to California. I've worked with large, politicized groups and with individuals down on their luck. I grew up with little and know the power of the American Dream.

California can be a beacon of opportunity, have effective government, less crime, more jobs, decreased traffic congestion, better-educated children, and more.

My plans will lead to an economic boom as we increase the state's revenue by attracting companies, allowing us to lower our tax burden. I will not accept money from special interest groups.

As Governor, will never forget that my job is to make life better for all Californians.

CANDIDATE STATEMENT FORM**

Candidate's Name: JEFFREY L. MOCK

Candidate Statement (250 word limit):

All the things important to California – good schools and housing, modern efficient transportation, safe neighborhoods, environmental respect – depend on prosperity for people and companies who pay the taxes to sustain our infrastructure. That prosperity depends on a healthy economy that provides good-paying jobs to hard-working and industrious Californians. Nothing is more important to that healthy economy than a thriving manufacturing sector, companies offering the kind of jobs that enable working people to pay taxes, afford housing and provide for their families.

As Governor, I will make protecting that economic infrastructure our number-one priority. I will assist California manufacturers who find their products squeezed out of the domestic marketplace by goods produced in countries that don't pay our wage rates and don't make costly environmental protection and worker safety a priority.

I will initiate a major overhaul of workers compensation that returns it to the no-fault insurance system it was designed to be, with competitive policy rates and where injured workers are fairly and promptly compensated and cared for.

The root of our current budget crisis is our state's dysfunctional energy policy. I will initiate reforms that encourage distributed generation utilizing renewable and ultra-clean technologies like solar, wind, geothermal, and fuel cells to reduce our massive dependence on fossil fuels.

Finally, I will strive to infuse between the state's regulatory bureaucracy and the manufacturing companies that are the bedrock of our state's prosperity, an attitude of cooperation and partnership to promote progress on worker safety and environmental protection.

The undersigned author of the above candidate statement hereby declares under penalty of perjury under the laws of the State of California that such statement is true and correct.

Family, Education, Business

BRING IT ON CALIFORNIA!

I am a 3rd generation Californian and a successful NON-POLITICIAN active in business, education, community and family life. My concerns are the concerns of Californians.

BRING ON THE CALIFORNIA BUDGET!

My fiscal successes are varied: balanced budgets for household checkbooks, multi-million dollar businesses and public agencies. As owner and manager of businesses employing hundreds of Californians, I have met the challenges and reaped the benefits of operating businesses in California. I know the importance of favorable conditions to attract and keep business in our state.

BRING ON THE CALIFORNIA EDUCATIONAL SYSTEM!

I care about the education of our youth – our future.
As a school board member of 21 years at county and local level, I know California's diversity is an asset, not a liability. I am passionate about ensuring student success, requiring educators to be qualified and offering merit raises for teachers. When I entered grammar school, English was my 2nd language. I have lived bilingual education.

BRING IT ON CALIFORNIA!

I am a good choice for the people of California.
